# José Ricardo Miessi Gomes

Data Analyst | Python | Power BI | SQL | Business Intelligence  
Analyst | Excel  
Maringá, Paraná, Brazil

## Summary

Passionate about technology and graduating in Software Engineering at UniCesumar.

I'm passionate about data in constant learning, focusing on professional growth and I'm currently studying Python, Power Bi, Excel, SQL and MySQL.

I have taken courses focused on Business Intelligence and data analysis projects carried out with public databases and Kaggle's database.

---

## Experience

### Autônomo

#### Personal Project

February 2022 - Present (10 months)

- Data Modeling in SQL and Power BI
- Data survey
- Analysis with SQL and Excel;
- Creation of dashboards with relevant information in Power BI
- Data analysis project carried out with public and kaggle databases.

Analyzing the possible causes of the problems and how they can be improved to prevent them from happening again.

---
